University of South Carolina
USGIF Geospatial Intelligence (GEOINT) Undergraduate Certificate
Program Application Form

Student Name _____   **Student ID** _____

Degree Program _____   **Expected Graduation:** Semester Year

Email Address _____

<u>Instructions</u>

The Geospatial Certificate requires a minimum of **21** credit hours of approved coursework: 9 hours required in the *Core*, 6 hours in your *Specialization*, and 3 hours in an *Elective*. The final course credits must be related to a Capstone experience. Before planning on using a course in the elective or capstone category please contact one of the GEOINT directors: Dr. Susan Wang (cwang@mailbox.sc.edu) or Dr. Jerry Mitchell (mitchell@sc.edu) for approval. Email this completed form as a draft to the director for examination at least one semester prior to graduation. After approval and completion of all courses in the approved certificate plan and the Bachelor's degree, USGIF will mail the certificate to you.

I — Core (9 credits)

Course	Credits	Grade	Semester
GEOG 341 (Cartography)	___	___	_____
GEOG 345 (Air photo interpretation) *or* GEOG 551 (Principles of remote sensing)	___	___	_____
